

Connecting to Wellbeing

SAGE SYMPOSIUM 2022

Recharge, reconnect
and achieve wellbeing
for your patients, your
team **and you.**

2022 Sponsorship Guide

All of us here at SAGE are excited to announce the return of our premier in-person event, **SAGE Symposium 2022**. A place to connect as an industry and learn from the brightest leaders and experts in our field.

The SAGE mission is to improve the lives of pets and their people. For those who care for pets day in and day out, health is equally as important for the care team as it is for their patients. **The focus of this year's symposium is wellbeing.**

The schedule, experiences and content are all designed to help achieve wellbeing for individuals, care teams and patients.

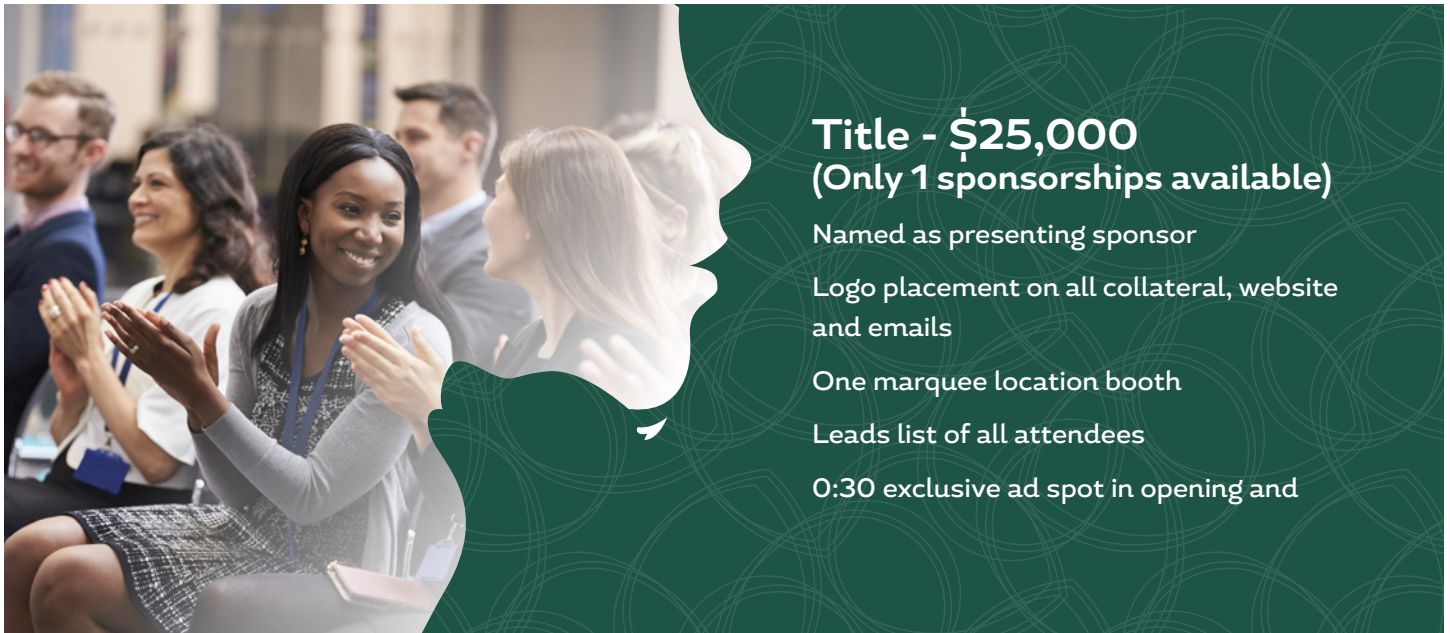

As a sponsor, you will make a direct impact on the health and wellbeing of professionals in this industry, helping to create a sustainable and prosperous future.

We are introducing new and exciting experiences such as the green juice bar, guided yoga session, and ReCharge Lounge all of which provide unique sponsorship opportunities.

Now is the time to look forward and celebrate! In addition to activities designed to make everyone laugh and smile, we will end the day with a cocktail reception and a signature wellness inspired recipe.

Register today - we can't wait to see you on October 23rd at the Signia by Hilton in San Jose, California.
